What do you see that's shiny?
Draw or write it here. How can we shine for Jesus at Christmas?

☐

Sticks

Can you find some sticks? What animals make their homes under stick piles? What can we do in our own homes that reflects the real meaning of Christmas?

☐

Berries

Berries provide vital food for wildlife over the winter months. Be thankful for the delicious foods that we get to enjoy as part of our Christmas celebrations.

☐

Holly Leaves

Holly leaves are ever green, so can act as a reminder of God's everlasting love for us.

☐

Footprints

Look for footprints in snow, or on the path when someone has walked through a puddle. Remember that wherever life takes us God is always walking beside us.

☐

Robin

Look up Matthew 6:25-34 in a Bible. Remember that God knows what we need and will provide for us. Just as the birds do not need to worry, neither do we!

☐

Frost

Look at the windows, the grass and cars on a chilly morning. Can you see frost on them? Look at how the frost sparkles. This reminds us of the precious gifts that the wise men brought to Jesus.

How many stars can you spot (in the sky, or in shop windows, etc.)? Write the number below and remember that the wise men followed the star to find the newborn King.
